Permit # _____

Date _____

Proposed: Residential Driveway _____ Industrial Drive _____
Farm Field Entrance _____ Public/Private Road _____

Instructions:

This permit application is for proposed construction in road right-of-ways within Tipton County, Indiana. A basic plan or sketch of the proposed drive may be required with this application. A permit bond amount is normally waived for this permit; however, a bond may be required upon review of the permit application. If required, the bond shall be to the Board of Commissioners of Tipton County, Indiana. When completed, mail or hand deliver the signed application to the Highway Department at the above address.

The undersigned hereby certifies that they have authority to bind the above named applicant and the owner of the facilities being installed under this permit to the terms, conditions and requirements of this permit. I also certify that the applicant and all persons performing work authorized by this permit will not make any changes in work from the approved plan and permit without receiving written permission from the Tipton County Highway Department. The applicant and I agree to pay all attorney's fees, court costs and other damages or costs incurred by Tipton County in enforcing the terms and this permit and the County Code or which are a result of litigation incurred by the County as a result of this permit. The applicant and owner understand that in the event Tipton County determines that any facilities installed under this permit need to be repaired, relocated or removed from the right-of-way, that the owner or any subsequent owner of the facilities agrees to maintain, relocate or remove such facilities in a timely manner at no cost to Tipton County. The applicant and owner hereby certify that all work will be performed in accordance with the provisions of Chapter 106, Title 6, as amended of the Tipton County Code relative to Excavation and all other applicable County Ordinances.
