INSTRUCTIONS: This permit application is for proposed construction within the road right-of-way controlled by Tipton County, Indiana. A basic plan or sketch of the proposed work may be required with this application. A permit bond of a specified dollar amount is typically waived by the County for this type permit; however, said bond may be required upon review of this permit application by the Highway Supervisor, Engineer, or County Surveyor. If required, the permit bond shall be made payable to the Board of County Commissioners of Tipton County, Indiana. When completed, email, mail, or hand deliver the signed application to the Tipton County Highway Department at the above address.

The undersigned hereby certifies that they have authority to bind the above-named applicant and the owner of the facilities being installed under this permit to the terms, conditions and requirements of this permit. I also certify that the applicant and all persons performing work authorized by this permit will not make any changes in work from the approved plan and permit without receiving written permission from the Tipton County Highway Department. The applicant and I agree to pay all attorney's fees, court costs and other damages or costs incurred by Tipton County in enforcing the terms and this permit and the County Code or which are a result of litigation incurred by the County as a result of this permit. The applicant and owner understand that in the event Tipton County determines that any facilities installed under this permit need to be repaired, relocated or removed from the right-of-way, that the owner or any subsequent owner of the facilities agrees to maintain, relocate or remove such facilities in a timely manner at no cost to Tipton County. The applicant and owner hereby certify that all work will be performed in accordance with the provisions of Chapter 106, Title 6, as amended of the Tipton County Code relative to Excavation and all other applicable County Ordinances.
