SURVEYOR'S REPORT

FOR THE INCREASE IN MAINTENANCE ASSESSMENTS FOR THE *MOTT NF REGULATED DRAIN*.

The Tipton County Drainage Board, having recognized the need for the increase in maintenance assessments for the *MOTT NF REGULATED DRAIN*, has referred the request to me for preparation of the report. I submit the following:

Historical data for the Drain:

1. Petition for construction of the Drain was created in 1922 according to our records.
2. The last Maintenance hearing was in 1981 (approved).
3. The last Reconstruction hearing was in 1981 (approved).
4. Current assessment is \$0.50 an acre with a \$5.00 minimum, which creates a yearly assessment of \$3,422.97
5. The drain currently has a NEGATIVE balance of -\$20,886.78

The annual maintenance fund is proposed to be increased for the continued maintenance of *MOTT NF REGULATED DRAIN*.

The proposed increase in maintenance assessment is to be \$4.00 per acre benefited for agricultural / residential, with a \$ 25.00 minimum; \$15.00 per acre benefited for Non-Agricultural and Non-residential with a \$150.00 minimum; \$10.00 per acre rate benefited for exempt tracts with a \$75.00 minimum. If raised to proposed assessment, the yearly assessment would total \$27,490.04. Collection to start in the calendar year 2026 and each year thereafter, with a maximum of 4 years of annual assessment to accrue before collection is halted. These funds are to be used for the continued maintenance of *MOTT NF REGULATED DRAIN*.

Respectfully Submitted,

Jason R. Henderson
Tipton County Surveyor

You are hereby notified that there will be a public hearing regarding a proposed **maintenance** increase of the following drain in Tipton County, Indiana: **Mott NF Regulated Drain**.

To:

The Drainage Board will hold a public hearing at the Tipton County Courthouse, 101 E. Jefferson Street, Tipton, Indiana, 46072 on November 17th, 2025, no sooner than 12:10 pm.

The Maintenance Report of the County Surveyor and the Schedule of Assessments made by the Board are on file and available for public inspection in the Office of the Tipton County Surveyor, and on-line at <http://www.tiptongov.com/county/> under the Document Center Link.

The Surveyor estimates the cost of annual periodic maintenance for the entire drain to be: \$ 25,000

The assessment figures shown below are your estimated share of the cost of maintaining the above-mentioned drain.

Parcel Number:	Benefited Acres:
Maintenance Cost:	Percent of Total Acreage:
Percent of Total Cost:	
Legal Description:	

Historical data:

The petition for construction of the Drain was created in 1922 according to our records. The last approved Maintenance hearing was in 1981.

Currently the drain is assessed at a rate of \$0.50 per acre with a \$5.00 minimum. This creates an annual assessment of \$3,422.97, which is insufficient to maintain the drain. The drain currently has a **negative** balance of -\$20,886.78. According to the Bureau of Labor Statistics consumer price index, today's prices in 2025 are 255.39% higher than average prices throughout 1981.

The Board will consider a per acre rate for Agricultural and Residential tracts be set at \$4.00 per acre, with a \$25.00 minimum. Along with a per acre rate for NON-AG or NON-RESIDENTIAL tracts be set at \$15.00 per acre, with a \$150.00 minimum. Finally, a per acre rate for EXEMPT tracts be set at \$10.00 per acre, with a \$75.00 minimum

If approved, the fund could mature to 4 times the annual maintenance collection, before it is not collected as part of the yearly tax bill. Once at 4 times the amount the drain would not collect until work was done on the drain.

Not less than five days before the date of the hearing, any owner of land affected by the Schedule of Assessments may file written objections with the Tipton County Drainage Board. The failure of any owner to file objections constitutes a waiver of his right to any final action of the Board.
