

The Multi-Hazard Mitigation Planning Committee of Tipton County will host a public information and strategy planning session on 1/22/26 at 1pm at the Tipton County Foundation.

Over the last several months, a planning committee, consisting of community members, has worked with the Polis Center at Indiana University-Indianapolis (IUI) to update the county Multi-Hazard Mitigation Plan. Once the plan is updated, the committee will submit it to FEMA for approval.

The planning committee is interested in receiving public input on the plan. Anyone that would like to provide input or has any questions should contact adewitt@tiptouncounty.in.gov
