

To Access Past and Live Streamed Events from Tipton County Indiana

In your Internet Browser Address Bar type: <https://livestream.com/>

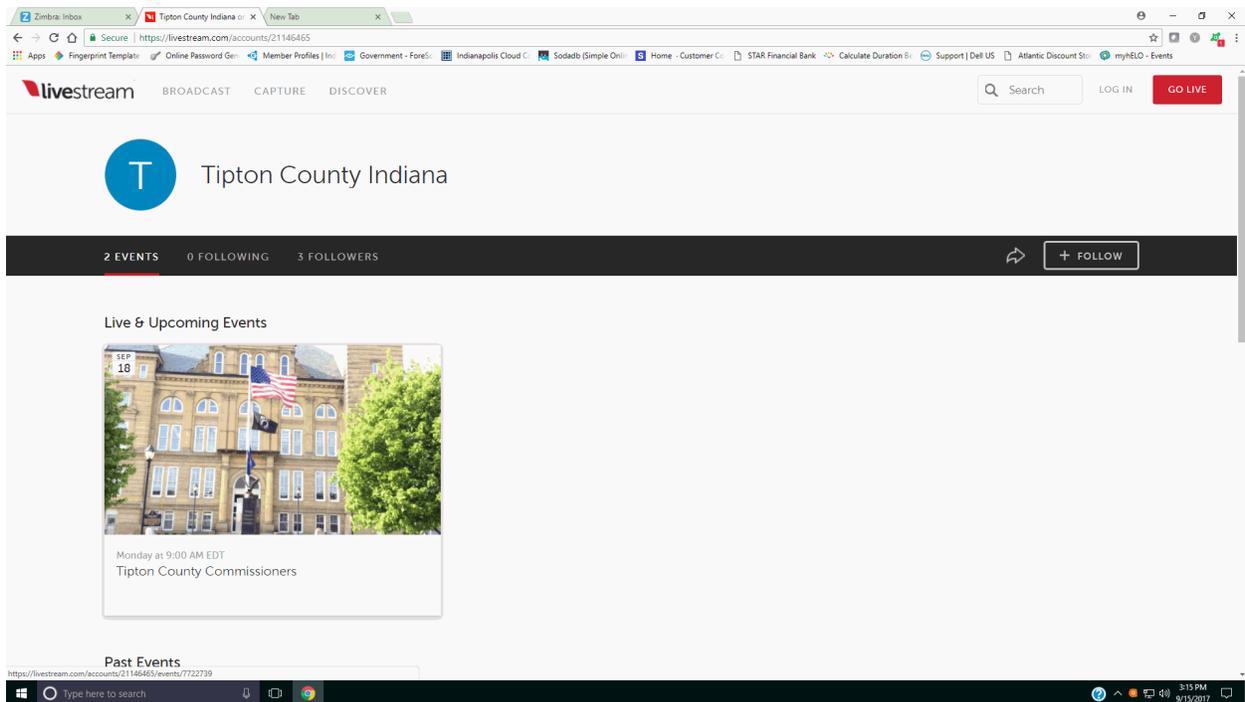

The screenshot shows a web browser window with the Livestream homepage. The browser's address bar displays <https://livestream.com/>. The page features a dark header with the Livestream logo and navigation links: BROADCAST, CAPTURE, and DISCOVER. A secondary navigation bar includes Solutions, Customers, Tech Specs, Production, Developer Tools, and Pricing. The main content area is a large hero section with a background image of a speaker on stage. The headline reads "It's Different When It's Live" and the subtext states "Learn how the world's #1 live video platform powers 10,000,000 events each year." Two prominent buttons are visible: "GET STARTED" and "REQUEST DEMO". Below these buttons, a message says "Create your free account today. No credit card required." At the bottom of the hero section, logos for Nike, Tesla, The New York Times, BBC, and Spotify are displayed. The browser's taskbar at the bottom shows the search bar, task icons, and system tray with the time 3:13 PM on 9/15/2017.

Move from Broadcast over to Discover and Left Click

In the search bar type in Tipton County, you will see a drop down as shown above, click on the Tipton County Account or the Blue T.

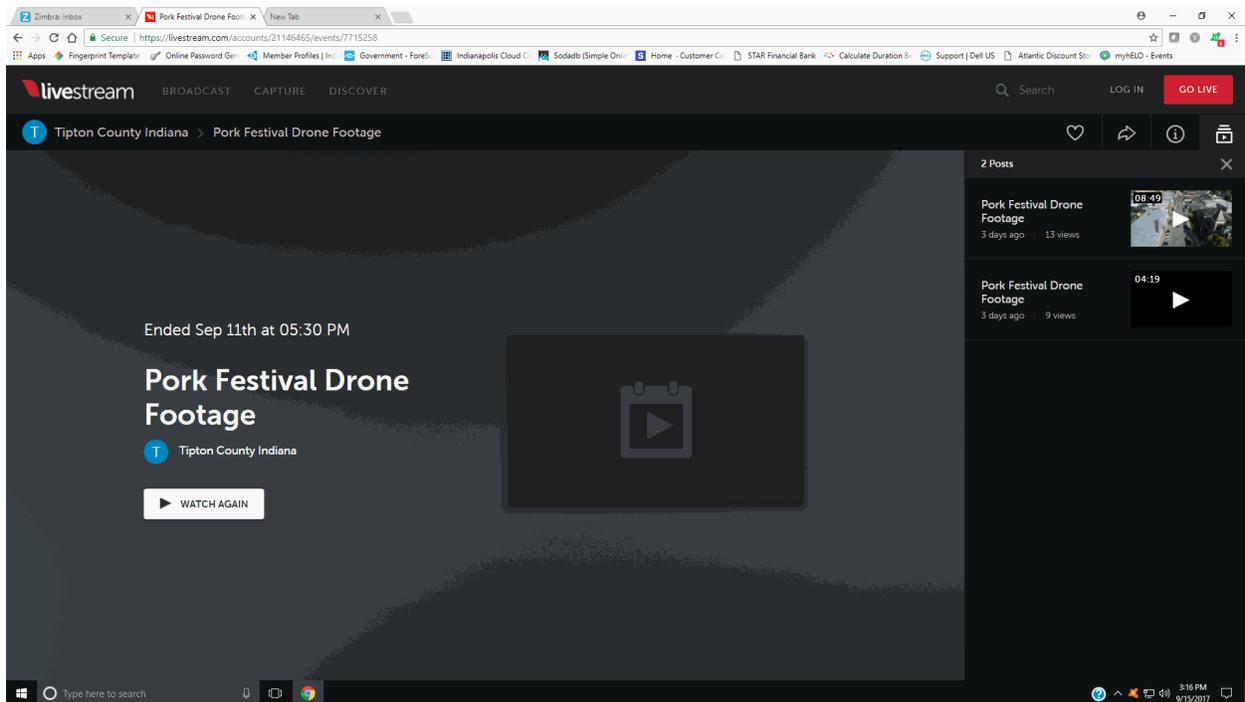

You will be directed to the Tipton County Indiana Page on Live Stream

The screenshot shows a web browser window displaying the Livestream profile for Tipton County Indiana. The browser's address bar shows the URL <https://livestream.com/accounts/21146465>. The Livestream logo and navigation menu (BROADCAST, CAPTURE, DISCOVER) are visible at the top. The profile header includes a circular logo with the letter 'T' and the text 'Tipton County Indiana'. Below the header, a dark navigation bar shows '2 EVENTS', '0 FOLLOWING', and '3 FOLLOWERS', along with a share icon and a '+ FOLLOW' button. The main content area is titled 'Live & Upcoming Events' and features a single event card. The card has a thumbnail image of a large, multi-story brick building with an American flag flying in front. The event details are: 'Monday at 9:00 AM EDT' and 'Tipton County Commissioners'. Below the event card, there is a section for 'Past Events' with a URL: <https://livestream.com/accounts/21146465/events/7722739>. The Windows taskbar at the bottom shows the search bar, system tray, and the date/time '3:15 PM 9/15/2017'.

Here you can choose either a live event or a past event.

If you choose a Past Event

Click on Watch Again.

Note: The quality of the live stream or past events stream is solely determined by YOUR internet speed. If the video is slow, choppy or stops to buffer often, contact your internet service provider.

To View Live Events from the Tipton County Website

In your Internet Browser Address Bar type:

<http://www.tiptongov.com/county/>

The screenshot shows the Tipton County website homepage. The header features the Tipton County logo and navigation tabs: HOME, ELECTED OFFICIALS, DEPARTMENTS, BOARDS & COMMISSIONS, and COMMUNITY LINKS. A search bar is located in the top left, displaying a local forecast of 42°. Below the search bar are icons for BILL PAY, REPORT A PROBLEM, DOCUMENT CENTER, and NEWS & NOTICES. The DEPARTMENTS menu is open, listing various services such as ADA / Title VI Information, CASA, Community Corrections, County Planning Commission, Health Department, Highway Department, Information Technology, Probation Office, Sheriff's Department, Solid Waste, Tipton County Communications, Tipton County EMA, Towns and Townships, Veterans Affairs, and Voting & Elections. A calendar for August 2017 is visible, showing dates from Sunday to Saturday. A welcome message for Tipton County, Indiana, is also present, mentioning the county's location and history.

WELCOME TO TIPTON COUNTY, INDIANA

Tipton County is situated in the heart of Indiana on 260 square miles of some of the state's richest farmland and most beautiful countryside. The 16,000 Hoosiers who make Tipton County their home are proud stewards of the amenities and history they share.

The county was founded in 1844 by a small community of brave, hardworking pioneers, who looked at the swampy virgin forest of the

IN THIS DEPARTMENT

The Tipton County Office of Information Technology is the main contact point for computer hardware, software, and telephones, as well as first and often second-level support of Windows-based applications. The Information Technology Office evaluates both hardware and software for ALL county offices, and the office is also responsible for installation of purchased hardware and some software.

Tipton County is currently running on a Windows-based server platform consisting of eight physical servers, a state-of-the-art internal phone system, and wireless Internet service throughout the courthouse. The Office of Information Technology also maintains several layers of security at the courthouse, both physical and electronic.

The office implemented a fiber-optic connection to link the courthouse phone and data network to the E911 Dispatch Center, the Sheriff's Office, and the Jail.

The office also:

- Provides 24-hour, 7-day-a-week support for departments that operate around the clock.
- Provides support for special events.
- Provides services to audio-record public meetings.
- Provides support for offices' special audio/video needs. [Click on Meeting Video](#)
- Installs computer workstations, printers, etc.
- Maintains SQL databases and backups of data.
- Maintains data and phone network.
- Maintains fiber-optic connections.
