

BEFORE THE BIG CICERO JOINT DRAINAGE BOARD

STATE OF INDIANA)

IN THE MATTER OF THE :

THE PARTIAL RECONSTRUCTION OF
BIG CICERO CREEK REGULATED OPEN

WRITTEN FINDINGS AND ORDER

The Big Cicero Joint Drainage Board having held its public hearing on September 20th, 2017 and the Secretary of the Big Cicero Joint Drainage Board having filed with the Board the proof of mailing of notices of the subject hearing. The Big Cicero Joint Drainage Board now finds that the notice was properly given and that it has jurisdiction of all matters herein.

The said Big Cicero Joint Drainage Board having examined the Surveyor's Report for this Drain and having heard the evidence and objections there on, now finds:

1. That the Reconstruction Report and Schedule of Assessments as reported by the County Surveyors' for the drain stated above are equitable and proper and should be adopted and approved.
2. That the proposed improvements will be of public utility and benefit;
3. No additional assessments for the Partial Reconstruction shall be levied against public;
4. Funding for the project shall be obtained from either private or public sources for the partial reconstruction, with repayment coming from a portion of the yearly maintenance assessment until the debt is paid in full; not to exceed more than 75 percent of the annual assessment in any given year.

IT IS THEREFORE ORDERED

That the Partial Reconstruction assessments, for the drain mentioned above by:

Jason R. Henderson, Tipton County Surveyor

Kenton Ward, Hamilton County Surveyor

Kenneth Hedge, Boone County Surveyor

Dan Sheets, Clinton County Surveyor

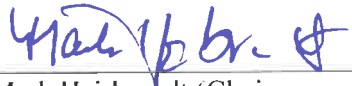

be and is hereby approved and adopted by the Big Cicero Joint Drainage Board.

IT IS FURTHER ORDERED

That these findings be filed and maintained in the Offices' of the Tipton County Surveyor, Hamilton County Surveyor, Boone County Surveyor and Clinton County Surveyor for public inspection and that notice thereof, was required by law, be given by mailing by the Secretary of the Drainage Board.

DATED THIS 20th DAY OF SEPTEMBER, 2017
