Motion to approve Resolution CC2019-12 by Brian DellaRosa. Seconded by Mike Terry. Council Discussion – Jim Mullins was able to explain that the highway department needed money to be appropriated in 2019 for a finished project in 2018 that had yet to be billed. Emily Wilson wanted verification there was enough cash to cover the project. Jim Ashley also asked that the person requesting the additional appropriation be present in the meeting to answer questions. There must be sufficient cash in the fund to cover the 2019 budget, along with the additional appropriation, or a 2019 project may be deferred for lack of funding. Motion Carries.
