Mayor's Report: Mayor Dolezal commented everybody has been extremely impressed with the public service the members of the Police and Fire have done so I just ask them to continue setting that high standard expectation, care for the community.

Fire: Mayor Dolezal stated the Fire Dept. report was in the packet. Councilman Kring stated there was something on the report that was whited out, maybe they are still working on something there. Kring stated he could ask later about it.

Police: Mayor Dolezal stated the Police Dept. report was in the packet. He also stated he has heard good things about what they have done in the community. Both departments are. Mr. Bob Edinger stated he works closely with Vicky on the Farmers Market and we will be coming to ask permission to use the parking lot. He also mentioned the meantime would the Board be willing to consider a parking ordinance to keep cars out of there. Mayor Dolezal asked if that has been a constant problem. Mr. Edinger commented we haven't gotten an ordinance and the cars have not been a constant problem but when it is, it's a big problem. There was a brief discussion regarding the subject. Mayor Dolezal stated the Farmers Market is a good thing. He asked Mr. Edinger if he is in contact with the businesses that use that parking lot. Mr. Edinger stated yes, Moser's is on board. He also commented to the Board that if they think these measures need to be stronger get back with him. Councilman Kring
