

## Lots For Sale

The City of Tipton Redevelopment Commission has three properties that they are currently offering as building sites for single family homes. Homes must be completed within 1 year of the date of closing on the property.

The properties are located at 208 Second Street, 625 West Madison Street, and 312 North West Street.

Property information and offer forms are available at the Mayor's office located at City Hall, 216 South Main Street.

Completed offer forms must be returned to the Mayor's office. Offers will be opened at the next RDC meeting following the receipt of the completed offer form.

Offers of less than the listed appraised value will be considered, and the Redevelopment Commission will base their decisions on what they consider to be the highest and best offer for the property.
