

Public Meetings

Feedback from the public is vital to the success of the studies. Multiple public meetings will be held along the corridors, with the information being the same for each public meeting. The PEL studies will examine mobility, safety, economic development, land use, environmental impacts, and other factors along the corridor. The public meeting location, date and time is listed below.

Public Information Meeting #2
Wednesday, June 14, 2023
[Tipton County Fairgrounds Auditorium](#)
[1200 S. Main St.](#)
[Tipton, IN 46072](#)
5:00 PM – 7:00 PM (EST)

Community Office Hours

We will be out in the communities on a regular basis for community office hours, which are informal, in-person conversations where you can ask questions, provide input and receive regular updates. We hope to make it easier for you to interact face-to-face with a study team member – **at a time and location that is convenient for you**. Community office hours will be held twice per month in the study area and the locations will vary. If needed, you can also **schedule an appointment**. Please check the website and social media for the schedule.

If you'd like to schedule an appointment time, host community office hours at your venue, or suggest a specific location/time for future community office hours, please tell us by submitting a [comment](#).

You can also leave your comments for the study team at **463-777-3705**.
